

# PPI MONITOR

## The Essential Tool for Patient and Public Involvement

Over the coming months and years, involving patients and the public will be a massive issue for NHS and Primary Care Trusts, and for Local Network Providers and Patients Forums. It presents both a tremendous challenge and an opportunity not to be missed.

PPI Monitor is committed to becoming the essential tool for anyone involved in improving health through PPI. We urge you to subscribe to PPI Monitor so that together we can drive forward change, innovation and involvement.
